Sake is the coming drink, but also quite an enigma!

The WSET have created this Level 1 course to help unravel the mysteries of the styles and processes, to assist our understanding of the beverage and how it fits in to the cannon we already know.

The West of England Wine School is very fortunate to have the expertise of Bruce Perry to teach the course and pass on his experience of Sake, having worked with producers in Japan, whilst studying to teach this course.

This is a great opportunity to study the subject ahead of its explosion on to the bar scene locally.

We look forward to welcoming you to a great learning experience.
