

# **Wine & Spirit Education Trust Wine Education Week Deciphering the Wine Label**

**19.30pm, Thursday 12/9/19  
with the West of England Wine School  
at  
Dartington Hall, Totnes, Devon TQ9 6EL**

Some wine labels are as easy as ABC and others double-dutch! This is an introduction to the reasoning behind the terms and what those terms actually mean for both consumer and producer.

Add to that, a comparative tasting of four illustrative wines, and labels will henceforth always be exciting and interesting reading, with the allure of foreign lands behind them.

The event is an ideal taster session for show-casing the WSET's wide range of courses. The fee is £10.00 per person, so book early to ensure your place.

For information and bookings please contact:
