COURSE DESCRIPTION - LEVEL 1 AWARD IN SAKE

The course will be based around a 4-week, 7 module online learning programme with educator support available for this time. The course modules should be followed in sequential order during this 4-week window. The course material should take about 6 hours in total to complete, plus revision time. Regular access and participation in the course online activities is essential for this mode of study.

The course prepares the student for our qualifications and they are guided by a WSET educator. The student can contact the educator any time for the duration of the scheduled course, should they have any questions. Each module includes a series of independent activities to help students understand sake production and different styles of sake.

Students should be advised to taste a range of sakes during their studies. All the required sakes for the course can be found in the Specification. Students can post their tasting notes in the Online Classroom for review by the educator.
